(The Kids' SportZone)

Let your little ones be active with our SportZone. It offers a variety of field games, including basketball, soccer, American football.

(Alica's Kitchen)

Learn how to cook with our Chef Alica in a very modern, well-equipped, and kid-friendly kitchen.

(Bunny Water Park)

Relax and have fun in our newly built water park. There is a water playground with slides, a wading pool, a shaded section, and many more.

(The Magic)

Let your kids create and thrive. The room offers plenty of fun art activities to boost kids' creativity. Parents are welcome to join as well.

(Bunny Resort Trail)

Spend some time in nature by exploring the amazing [Mont-Tremblant National Park](https://www.mont-tremblant.ca/)(link to external link: <https://www.mont-tremblant.ca/>) on foot or by bicycles or even skiing with equipment provided free at the resort.

(Bunny Garden)

Have a wonderful time with your family in our beautiful garden. We have plenty picnic areas. Fire pits and barbecue stations are available on demand.

Room with a pool

The pools carry on the opulent outside design while being encircled by tall terracotta pink walls that keep off prying eyes from those who value their solitude. Decorated with tasteful touches of the hotel's signature pink and green tones.

Suites

Some of Canada's largest accommodations are found at Mont Tremblant's guest rooms and suites, which reflect the mountain range's vivid colors and clear skies. All lodgings provide views of the Downtown Village of Mont Tremblant, and suites are equipped with living rooms and kitchens.

Two Beds Room

The Cutie Bunny, Mont Tremblant has expansive views of the town, and the luxurious hotel suites enhance this desirable characteristic with big windows and panoramic perspectives. The Club Level accommodations, two-bed rooms provide more comfort for families, services, and five-star facilities.
